

PART-II

NON-PLAN EXPENDITURE 2013-2014

Non-Plan expenditure covers all expenditure of Government not included in the Plan. It may either be revenue expenditure or capital expenditure. Part of the expenditure is obligatory in nature e.g. interest payments, pensionary charges and statutory transfers to State and Union Territory Governments. A part of the expenditure relates to essential functions of the State, e.g. defence, internal security, external affairs and revenue collection. Details of Non-Plan expenditure by broad categories are given in Statement No.4. Important items of Non-Plan expenditure included in the Budget for 2013-2014 are indicated in the following paragraphs. In general, Non-Plan Capital outlays excluding Defence Services and Union Territories (without legislature) have been put together in Statement No.8.

1. INTEREST PAYMENTS AND DEBT SERVICING (₹ 370684.49 crore)

An amount of ₹ 368684.49 crore is provided for payment of interest on Public Debt, both internal and external and other interest bearing liabilities of the Government. The internal debt mainly comprises market loans through dated securities; treasury bills and special securities issued to National Small Savings Fund. Other interest bearing liabilities include Insurance and Pension funds, deposits of non-Government provident funds, Reserve funds, Special securities issued to Oil marketing companies, Fertilizer companies, FCI and others. From 2004-05, the provision for interest payment on borrowings under the Market Stabilization Scheme (MSS), have been separately reflected in terms of the MoU on MSS. An amount of ₹ 2000 crore is provided towards pre-payment premium for reduction of debt.

2. DEFENCE (₹ 203672.12 crore)

This includes revenue and capital expenditure on Defence Services, net of recoveries and revenue receipts. The components are Army (₹ 81833.93 crore), Navy (₹ 12194.43 crore), Air Force (₹ 18295.10 crore), Ordnance Factories (₹ (-)944.62 crore), Research and Development (₹ 5552.57 crore) and Capital outlay on all the above services (₹ 86740.71 crore) for modernisation of Defence forces.

3.1 MAJOR SUBSIDIES (₹ 220971.50 crore)

3.1.1 Fertiliser subsidy (₹ 65971.50 crore):- It comprises of the following:-

3.1.1.1 Imported (urea) fertilisers (₹ 15544.44 crore):- As indigenous production is not adequate to meet the demand for fertilisers, imports are arranged to make up for the shortfall. Mainly three varieties of fertilisers, viz. Urea, Di-ammonium phosphate(DAP) and Muriate of Potash are imported. As only Nitrogenous fertilisers are under price control, the estimates are based on the likely imports of urea during the year.

3.1.1.2 Indigenous (urea) fertilisers (₹ 21000 crore):- A retention price scheme for indigenous fertilisers is in operation since 1977. This subsidy scheme is intended to make fertilisers available to the farmers at reasonable prices and to give producers

of fertilisers a reasonable return on their investment. The difference between the concessional price so fixed, less distribution margin and the statutorily controlled consumer price, is allowed as subsidy. The quantum of subsidy depends on the concessional price, the consumer price and the level of production.

3.1.1.3 Sale of decontrolled fertilisers with concession to farmers (₹ 29426.86 crore) :- The provision relates to payments to manufacturers/importers of fertilisers/agencies. The scheme was introduced after the prices of phosphatic and potassic fertilisers were decontrolled, with a view to enable farmers to maintain a healthy N:P:K ratio and contain prices of fertilizers.

3.1.2 Food subsidy (₹ 90000 crore) :- Food Subsidy is provided in the budget of the Department of Food & Public Distribution to meet the difference between economic cost of foodgrains and their sales realization at Central Issue Prices fixed for Targeted Public Distribution System (TPDS) and other welfare schemes. In addition, the Central Government also procures foodgrains for meeting the requirements of buffer stock. Hence, part of the food subsidy also goes towards meeting the carrying cost of buffer stock. The subsidy is provided to Food Corporation of India, for procurement and distribution of wheat and rice under TPDS and other welfare schemes and for maintaining the buffer stock of foodgrains as a measure of food security. Ten States & UTs, namely Madhya Pradesh, Chhattisgarh, West Bengal, Uttarakhand, Tamil Nadu, Andaman & Nicobar Islands, Odisha, Gujarat, Kerala and Karnataka have undertaken the responsibility of not only procuring foodgrains from within the State but also distributing the same to the targeted population under TPDS and other welfare schemes. Under this scheme of Decentralized Procurement, State specific economic cost is determined by the Government of India and the difference between the economic cost and the Central Issue Prices is passed on to the States as food subsidy. Recently, Government of Andhra Pradesh has decided to adopt 'Direct Cash Payment (DCP)' scheme. Other states are being persuaded to adopt this scheme.

Provision of ₹ 90,000 crore for food subsidy also includes a provision of ₹ 10,000 crore for implementation of National Food Security Act.

3.1.3 Petroleum subsidy (₹ 65000 crore) :- Government modulates the retail selling price of Diesel, PDS Kerosene and Domestic LPG to insulate consumers from the full impact of high international crude prices. This results in incidence of under-recoveries to oil marketing companies and is being compensated by government under the sharing formula. ₹ 61,774 crore has been provided for this purpose. Petroleum subsidy also includes ₹ 3,226 crore for freight subsidy for far flung areas and supply of Natural Gas to North Eastern region.

3.2 Interest subsidies (₹ 8061.34 crore) :- Interest subsidy includes a provision of ₹ 6000 crore as interest subvention to NABARD, Regional Rural Banks, Co-operative Banks and PSBs on short term credit to farmers, ₹ 416.50 crore towards interest equalisation support to EXIM Bank of India and ₹ 200 crore towards payment of subsidy to nodal agencies viz. RBI and National Housing Bank on Housing loans. An amount of ₹ 1200 crore has also been provided towards interest subsidy to banks under export promotion. Provision of ₹ 134.23 crore has been made as interest subsidies to LIC for Pension Plan for Senior Citizens. Interest subsidy is also given for financing interest payment on loans raised by the CPSUs from banks for implementation of VRS in Central Public Sector Undertakings (₹ 44.11 crore). Details of interest subsidies are given in Statement No.5.

3.3 Other Subsidies (₹ 2050.68 crore) :- The details of other subsidies are given in Statement No.6. Major items for which provisions have been made are explained below:-

- (a) Support for Market Intervention/Price Support Scheme for agricultural produce-(₹ 255 crore):** The price support or market intervention measures are designed to ensure remunerative prices to farmers.
